### **VERSE 1:**

**G2** **D5**  
The flowers of the field are clothed in splendor  
**G2** **D5**  
the sky sings praise to you with thunder  
**G2**  
You flung the stars and the universe  
**D5**  
You formed my heart and gave me worth  
**Em7 G**  
And I know

### **CHORUS:**

**D**  
There is no power strong enough  
**G**  
nothing could tear me from your love  
**Em7**  
even when darkness comes  
**G D5**  
You're the Faithful one  
**D**  
Mountains could fall into the sea  
**G**  
You wouldn't lose your grip on me  
**Em7**  
so let the storm clouds come  
**G D5**  
You're the Faithful one

### **VERSE 2:**

**G2** **D5**  
There's sorrow in the night but the sun still rises  
**G2** **D5**  
mercy is new as the dark sky brightens  
**G2**  
Your glory is the song that's on my lips  
**D5**  
and I find my rest in your promises  
**Em7 G**  
Oh God

### **BRIDGE:**

**Bm**  
If your eyes on the sparrow  
**G**  
how much more will you love me?  
**D**  
In the valley of the shadow  
**Asus**  
I won't fear - You are with me
